Dear Vedant Pramod Baghel,

I am writing to extend my heartfelt congratulations on the successful completion of the project "Development of Smartphone-Based Application for the Repository of Petrology Department of GSI, Nagpur." Your dedication, hard work, and invaluable contributions have truly made this endeavor a success.

Over the past two months, you have exhibited remarkable commitment and proficiency in your role, which primarily included the collection of information for each geological specimen, dialogue setting, audio production, and webpage development for the "**Talking Rock**" smartphone application. Your efforts have significantly enhanced the functionality and user experience of the application.

I would like to express my sincere appreciation for your unwavering dedication and perseverance throughout the project. Your ability to work seamlessly in a team setting, alongside **Mr. Tushar Meshram**, Superintendent of the Petrology Department at GSI Nagpur, and myself, has been commendable.

Once again, congratulations on this significant achievement, and I wish you the very best for your future endeavors.

Sincerely,

Dr. Sarang S. Dhote
